God Is Preparing Our Way to Canada!

“O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out!”
Romans 11:33

We are once again excited to say that the past couple months have been a testament to the greatness of God! We were thankful to be able to spend most of the month of April visiting churches throughout the Midwest. The LORD gave us the opportunity to present every Sunday, and to visit a new church every Wednesday. April 1st picked up where we left off in March. We were privileged to stop in Roanoke, Virginia, at New Hope Baptist Church to present our ministry. From there we spent Resurrection Sunday at Jill’s family’s church in Girard, Kansas. The following Sunday Justin was able to preach and we presented at Midpoint Baptist Church in Moran, Kansas. Sunday the 19th brought us to present in a great meeting at Grace Baptist Tabernacle in Fort Scott, Kansas. It is such an encouragement to gather together with God’s people and to receive wisdom and advice from the church leaders and members we have been able to speak to. We are grateful to say that the final Sunday in April was a double meeting day! The morning meeting was at Victory Baptist Church in Nixa, Missouri, and the evening meeting was at Talking Rocks Road Baptist Church in Branson, Missouri. That night we drove back to our house in the middle of a tornado! We were more excited than usual to be home that night.

We drove back east to Crown College on May 2nd for Jill’s graduation. From there, the LORD provided the opportunity for us to return to Canada for eight days! We drove up to North Bay, Ontario, on Wednesday the 6th. Pastor Wadley asked Justin to preach, and we were able to sing as well. The next few days of sweet fellowship were filled with working on renovating the storefront that was donated to Near North Baptist Church. We are so excited for all the opportunities the Lord will give to use that space for His glory.

We are Justin and Jill Brodbeck, and God has called us to plant churches in Ontario, Canada. Less than 2% of Canadians attend a gospel preaching church, and Ontario's growing cities are filled with souls who have never heard the good news of Christ crucified and risen. The fields are white unto harvest, yet the laborers remain few. We will be serving with Reach North ministry under Pastor Kendall Wadley, and Temple Baptist Church in Powell, Tennessee has sent us out to raise a team of prayer and financial partners.

That Sunday afternoon we, along with many members of Near North Baptist Church and several visitors from the United Kingdom, drove from North Bay down to Niagara Falls, Ontario, to set up for the fifth annual Niagara Bible Conference. We stayed in a hotel by the Falls for several days filled with Christ-honoring music, evangelism on the Falls, and solid Bible preaching and teaching. An open invitation extends to attend next year’s conference. Our final meeting in May was on the 17th at Truth Baptist Church in Mechanicsville, Virginia, where we were able to present not just to the adults, but to the children’s church class as well. We are truly thankful to God and to every church that we have visited. Each of your prayers is appreciated. Please pray for God’s will as we schedule meetings, talk to pastors, and travel. Most importantly, that God receives the glory for all that we do.

We do not take your prayers and partnership lightly. Every church that opens its doors reminds us that this calling rests not on our strength but on the sovereignty and faithfulness of God, who works all things according to His divine will. Would you join us in praying for open hearts and open doors as we continue this journey? Apart from Him, we can do nothing.

In Christ,

Justin and Jill Brodbeck

“When his disciples heard it, they were exceedingly amazed, saying, Who then can be saved? But Jesus beheld them, and said unto them, **With men this is impossible; but with God all things are possible.**“
